### Reflections on the Spring

## Workshop 2014

It's been week or so since the ETUG Spring workshop 2014, "20/20: Reflecting on the Past/Looking to the Future", held on June 12th and 13th in Vancouver. We're still busily gathering up feedback, resources and photos on the workshop to share with you. Thanks again to Langara College for being such an outstanding host and to all our wonderful facilitators for helping to make ...

## [T.e.I.I. May Summary (2!)] The BCcampus Sandbox

Many of us in the ETUG community explore new technologies in an ad hoc way, on an as-needed basis - typically, experimentation and exploration happens organically and "unofficially". As a result, efforts may be duplicated and sometimes we may not get to share what we find. And although BCcampus has been instrumental in developing partnerships to pilot new technologies, up ...
