[T.e.l.l. February Summary] What Is Open Pedagogy?

Contributed by Julian Prior, Langara College On February 27, Marianne Gianacopoulos from Langara College joined us to share her initial explorations in using a teaching model based on open pedagogy. Working primarily with

international students Marianne faced the following challenges: how to guide students away from

traditional learning methods to a model of independent learning how to cope with differing levels of digital ...

[Institutional Report] North Island College

Contributed by Terri Bateman, NIC At North Island College (NIC) we have been expanding our Interactive Television (ITV) offerings internally, as well as offering dual-credit opportunities for high-school students in Parksville and Port McNeill. We are also delivering ECCE courses through ITV to the communities of Zeballos and Tahsis. We're making use of Skype for Business with the addition of ...
