Flashback Friday – 2003 + 2004

As ETUG celebrates 25 years, we are taking the opportunity every Friday to dig into our archives and celebrate our 25-year history. Today's Flashback Friday continues back in time to the early 2000s. It's 2003.... As 2003 begins, Irwin DeVries

[Institutional Update] British Columbia Institute of Technology

A lot of consultation has happened over the last year at BCIT and the results show a renewed commitment to supporting the learning experience with authentic activities supported by technologies that engage. We started with thinking about our educational model, our Learning and Teaching

Framework and the future, in order to create our Educational Plan. Trying to consult with over ...
