[Spring Workshop 2017] "Education By Design" Thursday Plenary

We are very pleased to have Dr. Peter Newbury from UBC Okanagan, a partner and co-host of the ETUG Spring Jam, facilitate the Thursday plenary session and start our thinking on the theme of "Education By Design". Peter is the Director of the Centre for Teaching and Learning at UBC Okanagan and Senior Advisor for Learning Initiatives,

[Spring Workshop 2017] Pub Night at Freddy's Brew Pub

It's decided people! For the ETUG Pub night we will do another first! We'll meet in Kelowna at Freddy's Brew Pub Wednesday May 31st at 5:30 pm. Then the party moves next door to Mccurdy's Bowl and Brew for eats, treats, craft beer and bowling. See you there!

[Spring Workshop 2017] It's a Hootenanny!

ETUG is more than just workshops! Join us on **Thursday, June 1 from 5:30-9:00pm** for our very own Hootenanny. Kicking things off will be the ed-tekkiest musicians you ever did see--Breaking Band! And, if you're musically inclined, [sign up here to perform!](#)

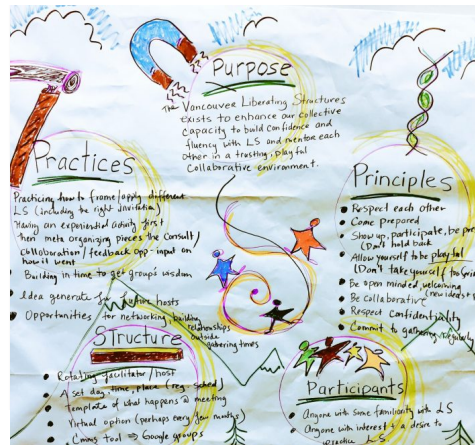

[Spring Workshop 2017] Ride Share Caravan!

Going to the Spring Jam in Kelowna, but still figuring out how to get there? No worries! There may be an ETUG colleague you can hitch a ride with. Alternatively, if you have a vehicle with a seat to spare, consider offering it up. Participants in the ETUG Ride Share Caravan (give a ride/ get a ride), can post details on this page. See you ...

Spreading the Practice of

Liberating Structures

Contributed by Leva Lee. We had the first meeting of our Vancouver Liberating Structures user group a few weeks ago and what we accomplished in our two hours together was a sweet culmination of several years effort. Slowly, but surely, we are spreading the awareness and practice of Liberating Structures (LS) as a way of including and unleashing everyone! [Read on...](#)

Introducing Two New FLO Workshops

Contributed by Sylvia Currie. What started as a successful OER development project by RRU during the early days of the [BCcampus Online Program Development Fund](#), has now grown to a Facilitating Learning Online (FLO) family of workshops and facilitator development community aimed to help faculty and staff enhance the skills required to confidently and effectively facilitating learning online. We recently piloted two recent additions to this collection. Read the stories, plan to register, and tell your friends!
