## [\[Member Profile\]](#) [Meet Amy Severson from JIBC](#)

Tell us a bit about where you work and what you do. I am an Instructional Designer at the Justice

Institute of British Columbia, and embedded in the Emergency Management Division. How long have you been involved in teaching and learning and/or ed technology? A long time (maybe 20 years?), and in many different guises. I managed the Media Library ...

Liberating  
Structures is  
coming to

Vancouver Nov.7-8

Join facilitators Tracy Roberts and Leva Lee for an incredible two days of learning in beautiful Vancouver, B.C. Over the course of two days you will cover as many of the 33 Liberating Structures as possible and come away with skills that will help your ability to connect with your teams, increase engagement at all levels, and make those tricky conversations more effective, meaningful, and fun. [Read all about it here.](#)

Join the  
BCcampus Online  
Book Club!

The BCcampus Online Book Club is a community-driven project by a group of volunteer post-secondary educators interested in opportunities to connect with colleagues on topics of professional interest in teaching and learning. The guidelines for this book club will be that it be **open, informal, and fun**—an

easy way for participants to share ideas and strategies and take what we learn to practice. [Read all about it here.](#)

Never taught online  
before? You'll want  
to take FLO  
Fundamentals

The [Facilitating Learning Online \(FLO\)](#) introduces research-based adult and online learning concepts, principles and strategies that can make online facilitating fun and effective. This course will help you enhance skills needed to confidently and effectively facilitate online learning.
